BEST PRACTICE-I

EARN WHILE YOU LEARN

Earn while you learn programme gives opportunities to the students to earn while they are learning, earning while learning is one of the most important pillars of future career development. Students of various streams not only supporting in their studies, but also gain practical experience which would help them in their later career. This helps to gain first-hand experience of the corporate world and their by develop their self- confidence and personality. In the best practice scheme students are encouraged to earn while attending their regular classes. This provides opportunity for students to explore their hidden talent and confidence to prepare better for becoming a good entrepreneur. Earning while learning is more necessity for student's coming from poor financial condition. Hence, they will be prepared, emotionally and mentally for the changes of the graduation.

Apart from teaching and learning, college encourage, educate and mould the students so as to bring out the hidden talents and skills in them and empower them to face the society and lead a respectful life.

Principal: Sri. Amaregouda. S. M.A, M.Phil.

Objective:

- To tap innate qualities of the students
- To explore the creative skills
- To learn effective communication skills
- Managing finance and learning the value of money
- Developing confidence and building of self-esteem, self-employment and self-reliance

Context:

The Hyderabad Karnataka region is known as the Kalyana Karnataka, of which our city is a part. It is considered to be a backward region. Many students of this region are economically and socially weaker.

In the present scenario, there is no field untouched by women, but still empowerment of women is far away from reality. Since, from 5 decades the college is fulfilling the dreams and vision of our institution. In view of these facts the college has designed and implemented a Best Practice i.e., **“EARN WHILE YOU LEARN”**.

Practice:

A committee of faculty members is formed to motivate, guide and monitor the students. Students are free to approach the committee to register the names beforehand. The names of the students who are going to keep the stalls should enter their details along with menu and price in the register. Interested students are allowed to display their products for sale like eatables, embroidery work, decorative articles, craft items, articles prepared from waste materials, mehendi application, handmade fancy bangles, earrings etc.

Success:

Students gained the knowledge of communication skill, time management, self-earning, finance management. They experienced joy and at the same time they learn to face the difficulties livelihood

Problems:

Students found little difficulty in utilizing their leisure time to manage the stalls along with the classes

BEST PRACTICE-I

EARN WHILE YOU LEARN

Report for the Academic Year 2022-23

Earn While U Learn Program is one of the best practice of our college.

This program provides opportunities to the students to earn while they are learning to meet their expenses. This will help the students in a long way in understanding the value of money and money management. It will also give students hands on experience and confidence for taking up challenges in their future. It prospers belongingness and encourages involvement of the students in the earning process while learning. Every Thursday students keep the stall in the college campus under the banner of "Earn While U Learn" and earn the money. The activities are carried out during the academic year 2022-23 are as given below.

BEST PRACTICE-II

Environment Consciousness Taranath Shikshana Samsthe's Soma Subhadramma Ramangoud Arts & Commerce College for women remains dedicated to high standards of environmental protection and focuses on developing a great focus and status for being environmentally responsible institution. Objectives: Conserving our resources is crucial. Making the students and public aware of how to reduce environmental harm is of utmost importance to save the planet and then to make them aware of different ways to conserve the environment. In this regard the objectives pertaining to the environmental consciousness are as below.

- Adapting to planned college processes and support systems.
- Ensuring satisfaction to all stakeholders.
- Submission to related regulatory conditions.
- Ensuring protection of Environment.
- Management of resources through optimum utilization.
- Developing awareness and knowledge of all concerned with respect to above.

Context:

Though people are being made environmentally consciousness over the last 15 years, there is still a large population who are not aware of the importance of taking care of the earth. Most people do not know the words "Going green and eco-friendly environment". Some people have interest in going green but not necessarily known what to do to make a difference. One should conserve energy as we are facing energy crises and prevent air, water

and noise pollution. They prove to be a boon for the environment and prevent human health from deterioration.

Practice:

The students and people of nearby locality were aware of simple waste to protect the earth and environment.

- i) They were thought 3 R's (i.e., Reduce, Reuse and Recycle).
- ii) The students volunteered for clean ups in the surrounding community, under the banner of 'Swacha Bharath Abhiyan'.
- iii) The students were motivated by arranging lectures on importance of our natural resources and preservation of ozone layer.
- iv) The institution has taken up Rainwater harvesting.
- v) The wastewater collected during purifying the water by RO process is used for watering the plants of the College and cleaning purpose.
- vi) To minimize energy consumption long lasting CFL, tube bulbs in few areas of the institution in the night. Energy saving attitude is developed among students by advising them to switch off the electrical appliances when not in used. This is monitored by class representatives and college discipline committee.
- vii) Students prepare paper packets and distribute to some of the vendors in nearby area and advised them not to give the plastic bags to the costumers, explaining the hazardous effects of uses of plastic. Students even created awareness about the swachchata abhiyan to the shopkeepers.
- viii) Students are encouraged to plant trees which provide food, oxygen there by cleaning the air which help to combat climate change. The teachers are gifted with saplings on Teacher's Day. The students celebrate their

birthday by donating a sapling to the college with their name tag to it and protect it till they depart from the college.

- ix) Seminars are arranged by the students related to environment consciousness.
- x) E-waste is disposed through scrap vendors.
- xi) Different types of waste, like wet, dry and glass is separated and put into respective dustbins kept in the campus. An arrangement is made to collect this waste by corporation people.

Success:

The students and Staff are found to use recyclable or reusable bags. The fans and lights were seen to be switched off when not in use. Students were very conscious about maintaining the campus clean.

Problems:

- i. Some students hesitate and even some of the parents do not permit their children to come out of the college campus and visit public places to create awareness about environment consciousness.
- ii. Lot of expenditure has to be met to fix large solar panels to make use of solar energy and to light all the classrooms.

BEST PRACTICE-II

ENVIRONMENTAL CONCIIOUSNESS

Report for the Academic Year 2022-23

Environmental consciousness is one of the most utilized in various degrees in our society. Environmental consciousness is based on an ideology, environmentalism. Environmentalism says that every living thing, including nature, has environmental rights that need to be protected. In a general sense, being conscious towards environmental issues is described as the ability to comprehend the environment one habits in, the actions and relationships among it, and the impacts the caused by a short or long term. Such consciousness is only felt as complete once the perception that such actions are much greater than a local, it impacts the planet and the environment in question. In order to diminish the human environmental impact, we need to rethink our actions and its possible consequences. In this regard the Taranath Shikshana Samsthe's Soma Subhadramma Ramangoud Arts & Commerce College for women remains dedicated to high standards of environmental protection and focuses on developing a great focus and status for being environmentally responsible institution. During the academic year 2022-23 under Environmental Consciousness - best practice the following activities were performed.
